Dear Zosia,

We write to tell you that the Highland Council Education, Children and Adult Services Committee was informed, on 26 January 2017, of the success of students of the Polish Saturday School who achieved their Polish "A" levels.

The Committee asked us to pass on its congratulations to all the pupils involved for their outstanding achievement and we would be grateful if you could do this on our behalf.

Yours sincerely,

Drew Millar

Adult Services Committee**
